

Karma Flightcase User Manual

****For K58, K55, K6, K7, K10, K25, K35 Flightcases****

Thank you for purchasing Karma microphone accessories. You are sure to enjoy years of trouble free use with proper care and maintenance. We wish you many hours of wonderful recordings.

Steps to setup your combination lock on your Karma Flightcase:

- 1) Open the case.
- 2) Set the 3 combination digits to personal preference.
- 3) Push the combination latch (located behind the flightcase serial number, inside the case) to the left.

To default, release or change the combination lock:

- 1) Release the combination latch inside the case to the right.
